Annual Report • 2015–2016

## OUR MISSION

We educate and inspire the heart and mind of each child to become a courageous and confident leader who knows and loves God, and who reveals that love by serving others.

## Goals of Sacred Heart Education

A personal and active faith in God

A deep respect for intellectual values

A social awareness which impels to action

The building of community as a Christian value

Personal growth in an atmosphere of wise freedom

# gratitude

## DEAR MEMBERS OF THE SACRED HEART FAMILY,

As I write this, my last annual report letter as Head of this Academy named after God's Heart, I do so with my own heart filled to overflowing with deep gratitude and great hope.

I could not be more GRATEFUL for:

- the opportunity to work and live in such a palpably holy place—a place where a great saint of our church has lived, loved, prayed, suffered and died, and whose sacred remains still impact us in very real and tangible ways.
- the opportunity to work with so many mission-focused faculty and staff—so many of whom see their time at this Academy as a vocation and who do not “count the cost” but give of themselves because they believe in and are passionate about the mission!
- the opportunity to get to know and come to appreciate the generosity of so many volunteers, alums, parents and benefactors. I have been humbled and awed by the generosity of time and financial support for Madeleine Sophie Barat’s and Philippine Duchesne’s educational vision.
- the opportunity to experience the open hearts and minds of children whose journey of growth (in all the ups and downs) fills me with joy and delight.

I could not be more hopeful, as well! My HOPE:

- is ignited and rooted in an abiding trust in the transformational power of God through a Sacred Heart education’s invitation to openness of mind, heart and will.
- flourishes from my belief that, using a phrase from the Heads of Sacred Heart Schools Fifth International Conference, what we are doing is providing our world with young people who, in their adult lives, “will be the best for the world, not just the best in the world.”
- is ever expanding in the reassurance that what we are doing educationally is of God and for God. We are building God’s Kingdom through lives lived in freedom, truth, goodness and love.

Thank you for all that each of you has done, is doing, and continues to do to keep the flame of love burning in the hearts and minds of this Academy community!

A handwritten signature in dark ink that reads "Maureen Glavin, RSCJ". The signature is fluid and cursive, with the letters "M" and "G" being particularly large and stylized.

Maureen Glavin, rscj  
Head of School

## DEAR FRIENDS OF THE ACADEMY OF THE SACRED HEART,

On behalf of the Academy's outstanding students, dedicated academic and administrative teams, and Board of Trustees, THANK YOU!

Your generous financial support and continued commitment to Sacred Heart education this past year were instrumental in advancing our shared mission of educating and inspiring the heart and mind of each student who attends our school. We are grateful for your numerous gifts of time, talent and treasure which continue to directly benefit current students, while improving the Academy for future generations of learners.

As we reflect on 2015–16 with gratitude, I'd also like to thank Sister Glavin for her leadership, passion and dedication which remain visible across our curriculum, throughout our campus and, most notably, in our graduates and students. In the same spirit as those before her, Sister Glavin's commitment has extended and enhanced the school's understanding and living of the GOALS AND CRITERIA OF SACRED HEART EDUCATION. It has been a privilege to work alongside her as a trustee, and now to collaborate with her more closely in her final year of service as Head of School in St. Charles.

Looking forward, with the goal of perpetuating the mission begun here almost 200 years ago, the Academy's Board and Committees are challenged with several important responsibilities this fiscal year. In addition to continued stewardship of the Academy's resources, the Board is focused on:

- transitioning the Academy to new leadership
- articulating the Academy's desired future and updating its strategic direction

The Board is committed to engaging constituents in these important efforts to best position the Academy for the future. As Chair, I thank you for the input, support and prayers of our entire community toward the success of these initiatives.

With your continued support, the Academy can continue its rich tradition of educating confident, courageous leaders firmly rooted in the values of the GOALS AND CRITERIA.

Sincerely,

A handwritten signature in black ink that reads "William H. Dulle". The script is fluid and cursive.

Bill Dulle  
Chair, Board of Trustees

# annual giving

Gifts to Annual Giving impact the lives of Academy students! Each year the school supplements tuition with monies from a variety of sources—Annual Giving chief among them. We use contributions to the Annual Fund to enrich students' lives by investing in curricular resources and enhancing programs such as Classroom Connections, international language, global studies, daily physical education, art and music; supporting faculty and staff through professional development; expanding educational technology; and ensuring quality facilities.

Every gift is valued, no matter the size! Strong participation within our school community increases our chances of being awarded grants from foundations and corporations who favor schools with broad support from present families.

## Parents

*All gifts to Annual Giving are deeply appreciated. Parents who contributed the suggested amount of \$400 per student during 2015–2016 are enrolled in the Très Bien Society and denoted with a 🍷.*

The Academy of the Sacred Heart is a special place for us. Ten years ago, we toured the Academy and were immediately impressed with the grace and maturity of the students and faculty. We knew that our children would be challenged to reach their full potential here. Our journey at the Academy has been remarkable. Our son Matthew has been transformed from an extremely shy preschooler to a confident, articulate 7th grader. Our daughters, Emily (5th class) and Bethany (2nd class) have changed “I can’t do that!” to “I will do my personal best!” We credit much of this change to the Academy’s program that develops the whole child, for its exceptional faculty and staff who are whole-heartedly committed to our children’s development, and to the supportive family community who joyfully help us along this journey. We are thankful to those who have made the Academy what it is today, and we are honored to support the Academy as it begins the next 200 years of educating the mind and hearts of our children.

When I was asked to join the Board of Trustees in 2013, Kerrie had just graduated from the Academy of the Sacred Heart and Megan had graduated four years earlier. I was no longer an ASH parent and my daily involvement with the school was ending. As a board member, I have continued my commitment to this wonderful institution.

I value the Academy for the tremendous education and personal growth that Megan and Kerrie received. I value the adults they have become as self-confident, socially aware, intelligent, and independent leaders within our community. I value the impact they will have on society because of the foundation they developed at the Academy of the Sacred Heart.

I believe it is my obligation and privilege to help ensure the Academy provides this same value to other families. I have the unique opportunity to “pay it forward” through my role as a trustee in supporting the viability and growth of the Academy. The value of the Academy is bigger than any one individual or family; the value comes from the Academy’s impact on the community and society where we all live, which is realized through every person that has and will pass through the doors of this historical school.

There is so much to value about this beautiful place. It is holy ground, a tradition, a way of life, a mission. On my first day in this sacred place, I felt a sense of completion, acceptance and calm. There was a palpable spirit in the halls and in the classroom and I remember saying to myself, "I will do anything to work here someday." My desire came true five years ago. It seemed there were master teachers everywhere I turned— quite a bit to live up to for a rather new teacher. While I do believe that the spirit in the halls and classrooms is no doubt the spirit of St. Rose Philippine Duchesne, I've come to the realization that this spirit also includes the spirit of the faculty and staff that proudly call this place home.

I worked diligently to learn about the traditions, the value of the mission and the importance of the Goals and Criteria. Understanding and living these began making me feel as though I was genuinely becoming a better person. I wanted to be an "Educator of the Sacred Heart." I wanted to be a role model for the students, just as Rose Philippine Duchesne was for the first students of this Academy. I work every day to engage my students with regard to the curriculum. However, I realize that the most important aspect I am supposed to be teaching is how to be a good person, how to be your best self, how to be the individual that God created you to be. There is so much value in teaching students the importance of these lessons!

I choose to support this school because I believe in its mission of "educating and inspiring the heart and mind of each child to become a courageous, confident leader who knows and loves God, and who reveals that love by serving others." This is not just a group of words. Here at the Academy, this is a way of life. Every day we are striving to inspire students to be their best selves in order to proudly represent the future of our community, our country and our world. They are God's children. They are children of the Sacred Heart of Jesus. They are children of St. Rose Philippine Duchesne and every student I come in contact with becomes a child of mine as well. That is why I choose to support the Academy. I want to make a positive impact on these children who are shaping the future of our world. At the Academy, the goal is to make the world a better place through positively impacting the students that sit, pray, play, learn and love before us! I love and am humbled and honored to be a member of a community with this goal!

LAUREN LAMMERT, 4TH CLASS TEACHER

Thanks to the ongoing generosity of A LEGACY OF EXCELLENCE, A FUTURE OF DISTINCTION Campaign donors who continue to fulfill their pledges, the Academy has been able to move ahead with plans for the following instructional Program Enhancements:

- Creation of a dedicated space in which to engage our Lower School students in robust exploration, inquiry and investigation of our world (i.e. science lab).
- Hiring of a science specialist beginning in 2017–18 to provide leadership with Lower School science curriculum development and to provide support for our Lower School teachers in implementation of a strong inquiry-based instructional methodology.
- Expansion of our strong Middle School International Language program with Lower School International Language instruction beginning in the fall of 2017.
- Acquisition of more devices to support our teachers and students with a rich set of resources for teaching and learning.

Donor Reception

November 2016

# alumni giving

The 2015–16 Alumni Project was designated for needs within the original 1835 building, including the back porch of the old brick convent that Mother Duchesne knew and loved. Alumni of all ages are helping us to outfit this space with museum-quality materials which will tell the 200-year-old story of this holy house. We are grateful to the following alumni for their support of the Academy.

## 1943

**A**cademy of the Sacred Heart, Saint Charles, holds a very special place in my heart and daily life. The education I received while attending from 1963 and graduating in 1970 prepared me for life, though, at the time, I did not realize what an impact this education would have on my life! Every child of the Sacred Heart receives the opportunities to embrace the principles St. Madeleine Sophie Barat and St. Rose Philippine Duchesne developed over 200 years ago. When we strive to work hard and be disciplined toward our life with our faith—anything is possible!

Life brings joys and hardships. It is the determination St. Philippine brought with her when she arrived in 1818, that continues to radiate to each student. Determination fueled by faith has given me the courage to face life and with grace, accepting and having confidence in my future. It is with gratitude, I look back at my education; and I try to live with enthusiasm facing life head on! I support Academy of the Sacred Heart, St. Charles, because I believe in the school and the faculty to lead our young generation to continue to strive with determination, as St. Philippine taught us. Trust in Christ and grow in our faith!

The educators at the Academy were a second family to me. I constantly felt love and encouragement to grow in my education and to grow as a human being. At ASH, I learned that not every child in the world had the same support I did, and it was my duty to help others whenever I could. One of my earliest memories of learning selflessness was putting together our annual Christmas basket with my mom and bringing it to mass. This generosity is something I try to carry on in my life now.

When I visited this year, it was like going home. I support the school not just because of what it did for me, but for what it continues to do for kids like me now and in the future.

I graduated from the Academy of the Sacred Heart in 2014, and I value my Sacred Heart education greatly. I spent 10 years in a Sacred Heart school and I learned a lot every single day. In addition to academic lessons and skills, I also learned a lot of good life lessons. ASH has impacted my life in many ways. It was one of the reasons that I wanted to go on to a Jesuit high school, because of how closely the two orders have worked together. ASH also prepared me very well in order to go on to high school. I have chosen to keep supporting this school so that more children can have the open opportunities that I did.

# endowment

The Endowment Trust of the Academy of the Sacred Heart stands as a continuing expression of the generosity of many donors through the years. With gratitude, we recognize the people who have contributed to this fund as an ongoing commitment of their love and concern. The body of the endowment fund, currently valued at \$5.6 million, remains intact while the income generated provides financial assistance to many children who benefit from a Sacred Heart Education.

The Founders Society honors those who include the Academy of the Sacred Heart in their estate plans. Individuals may designate the school in their wills or make gifts through charitable remainder trusts, charitable lead trusts, charitable gift annuities, life insurance or tax-deferred retirement plans. For more information about the Founders Society, please contact Mary Maher, Development Director, at [mmaher@ash1818.org](mailto:mmaher@ash1818.org) or 636-946-5632.

The Academy of the Sacred Heart, a private, independent Catholic school for boys and girls, Pre-K through Grade 8, admits students of any race, color, religion or ethnic origin. The Academy of the Sacred Heart is accredited by the Missouri Chapter of the National Federation of Nonpublic School State Accrediting Associations and is a member of the Network of Sacred Heart Schools of the United States and Independent Schools of St. Louis (ISSL).

This report contains the names of those whose gifts were received during the fiscal year ended June 30, 2016. Every effort has been made to compile an accurate list. If your name has been omitted or is listed incorrectly, please accept our sincere apology and contact our Advancement Office at 636-946-5632 so that we may correct our records and give proper recognition in the future.

Non-Profit Org.
