

Music Discovery

Interactive music class for children Pre-Primary - Primary
Wednesdays 3:20 - 4:00

Music Discovery is the perfect class for the young child who loves music! This class will offer a variety of experiences for your future musician so they can explore how music is created and help make music of their own.

Creative play will include simple props, scarf play and movement. A variety of rhythm instruments are also part of the fun!

Disney Edition/ Funtastic Fall \$135
Wednesdays September 10 - November 19
(no class Oct.1)

Songs from Disney favorites will be our theme for the first weeks of our class with songs from Frozen, Toy Story, Lion King, Finding Nemo and more. Once there's a chill in the air, we'll sing and dance to songs about pumpkins, apples, scarecrows and falling leaves as we celebrate this fun-filled season.
