We cannot speak highly enough of our kids' experience at ASH! During our school search in early 2021, we sought Catholic education in a small, child-centered classroom environment. From the day we took our initial tour, we were impressed by this school's academic curriculum and culture. The tuition and time spent commuting (30 minutes one-way) are a commitment, but worth it because our children are thriving. Do not pass up the opportunity to schedule a tour at the Academy! Something special about this school community cannot be put into words until you experience it in person.

I attended Pre-Primary thru 8th Grade and graduated in 2002. The education at Sacred Heart in that era seemed to be very advanced compared to other curricula at nearby parochial schools. The school was also much bigger when I attended so I'm sure the campus does feel a bit more somber with not as many pupils but it is a great place. 100% recommend.
